

# Pop-up UNIFORM SHOP

Millstreet Community School uniforms will be available to buy and order from Munster Fire & Safety on **Friday 24th @ 4pm - 8pm** and **Saturday 25th July @ 10am - 2pm** at **Millstreet Parish Centre.**

*Munster Fire & Safety are not in a position to have people browsing in their shop this year - and this event will ensure that everyone will have their uniforms in time for the new school term.*

## *How it works:*

- Call Munster Fire & Safety on **029-71288** to book your time slot
- Come to **The Parish Centre** at your designated time - hand sanitiser is available. Please be respectful of others' personal space
- Try on uniform items if necessary - changing facilities will be available
- If your size is in stock, you can buy on the day
- If your size is not in stock, place an order to arrive in plenty of time for the new school term
- Munster Fire & Safety will call you when your order is available for collection from their shop on Church Street
